Smiling, Laughing

A smile is special because it comes from inside. An expression of joy and happiness, when shared with friends turns into laughter.

Lisa Noonburg

Enjoying Life

Today's Friends . . .

Living for today, friends, memories, laughter, tears. For tomorrow we will go our separate ways.

JoAnne Edwards

Tomorrow's Memories

We have been waiting for this day to come and we will shed a tear of sadness when it arrives.

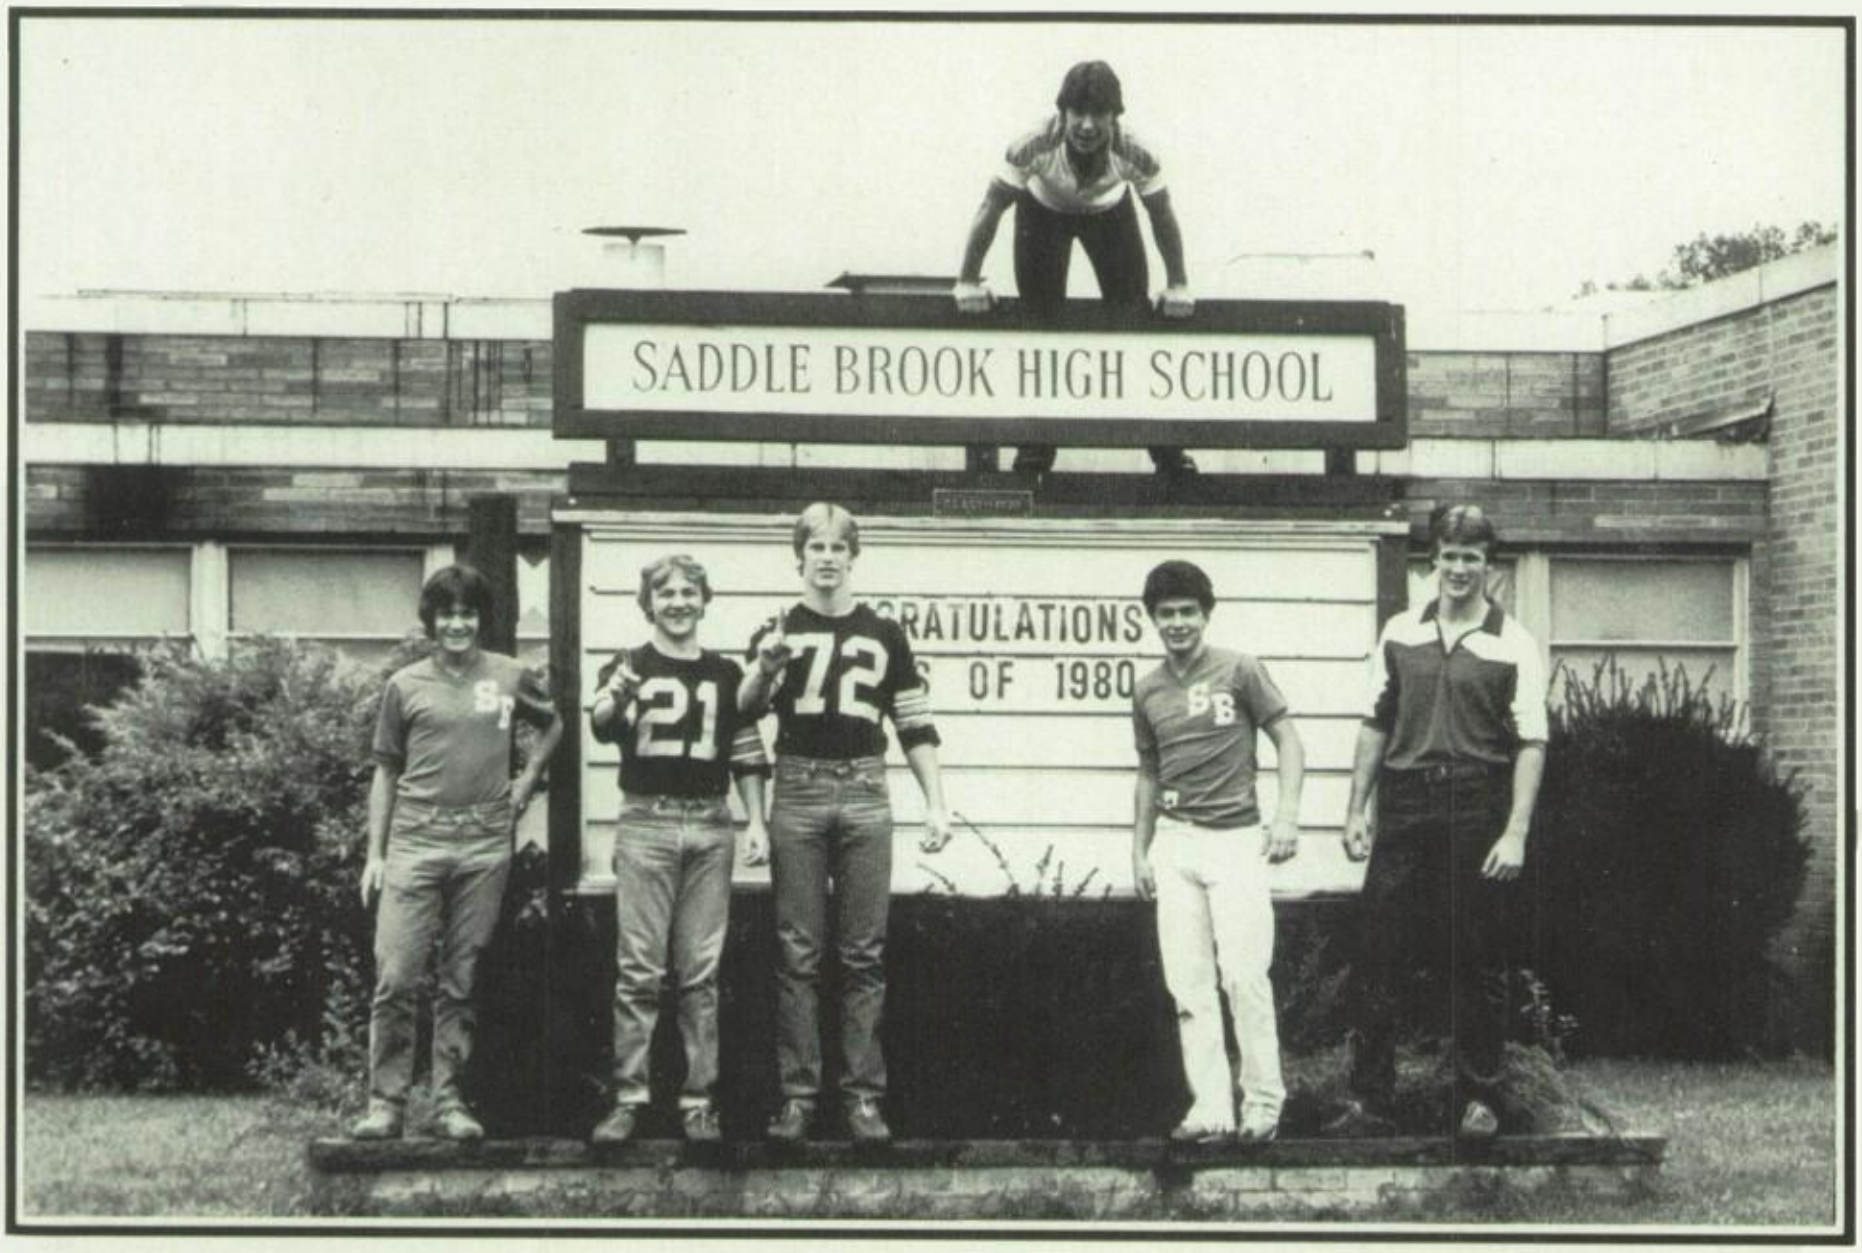
Achievement Is Life's



The seventeenth of June is here.
Commencement day of Senior year
Standing upon the college stage
Your memory book opened to a page
Your eyes just have to take a look.
The page's titled, four years at Brook.
The last 4 years flash past your eyes
Full of joy, sadness, surprise.

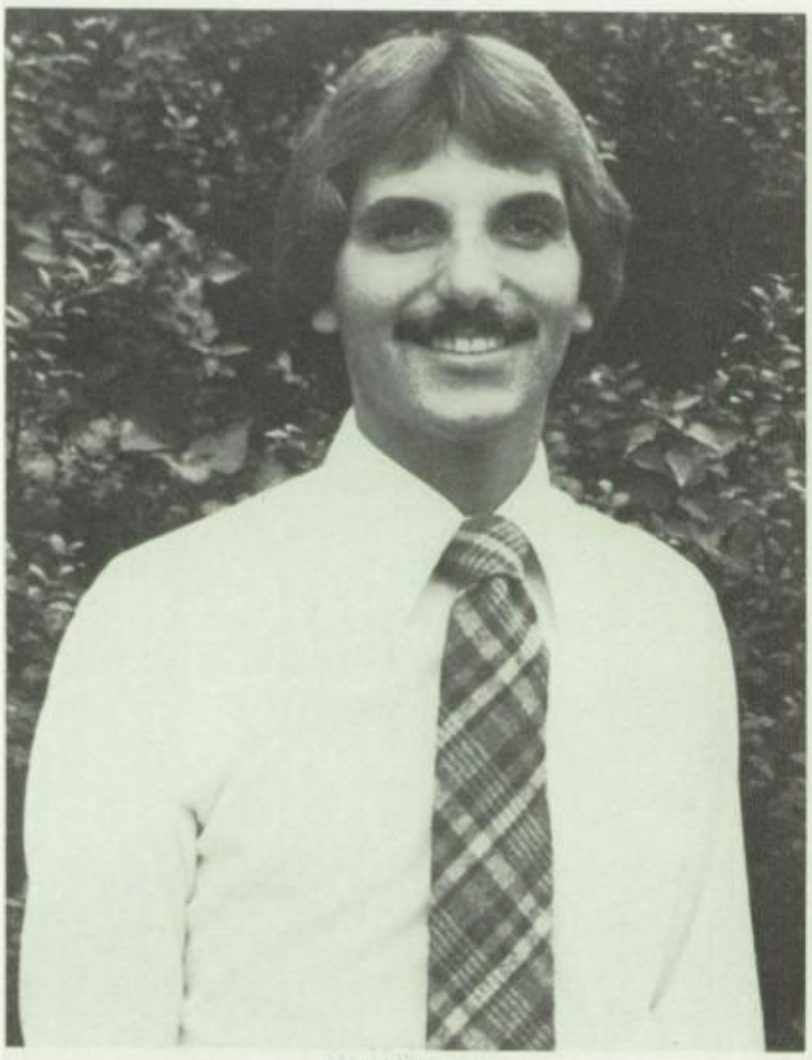
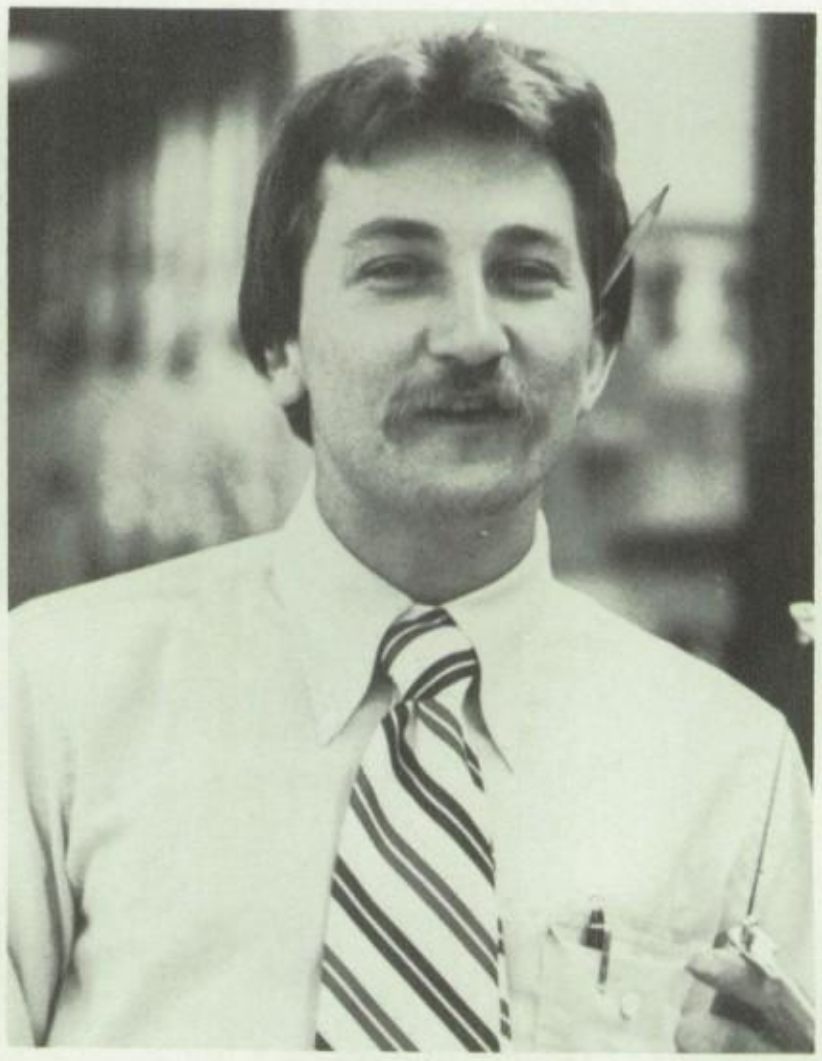
Seniors — Advisors, Officers Class . . .



Mr. DeFranco



Mr. Bargiel

Special thanks to Senior Officers — left to right — Pres. Mike D'Agostino, Sec. Denise Punzo, Treas. Caroline Symannek, Vice Pres. Joe Polizotti. These people along with our advisors, Mr. DeFranco and Mr. Bargiel, have made senior year the best.

We put our backs into it . . .

Seniors wash away the dirt.

On September 15th the Senior Class held a car wash in the high school parking lot. The weather was beautiful and everyone seemed to enjoy themselves.

Lisa Noonburg and Denise Punzo

Dorothy Gerano and Joe Polizzoti prove a little elbow grease never hurts.

We ate it up . . .

On October 12th the Seniors enjoyed a breakfast of doughnuts and hot chocolate. The class also heard the winners of the senior polls. Friends are forever.

Seniors enjoyed their breakfast.

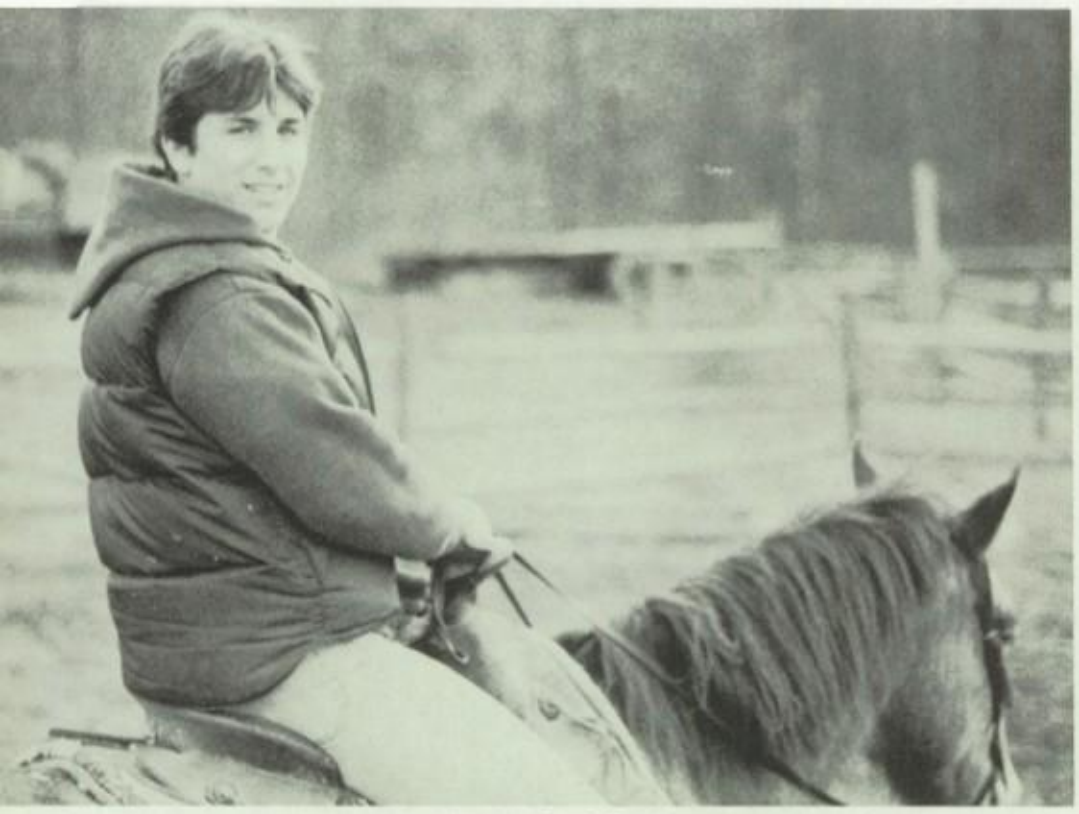
A mystery trip afar



Carol Disney

Donna Bloom

On January 18, the Senior Class boarded the buses at 7:30 in the morning toward an unknown destination. An hour and a half later — SURPRISE! We made it to Rocking Horse Ranch. There were many activities, including horseback riding and a disco at night. R. Trisolini, F. Freguletti, J. Cherico, S. Smith, T. Petrocello and J. Loschiavo appeared to be patient while they waited for their dinners.

Memories that last . . .

Standing — C. Pirro, L. Adrignola, M. Silver, S. Bieber, J. Onorevole. Sitting — F. Bonanno, G. Guerriaro, L. Landrigan, C. Gill were among the many seniors at dinner at Rocking Horse Ranch.

GOALS: To be independent, successful, famous, rich and of course, happy.
ACTIVITIES: Band, Vice-Pres., Drum Majorette, Student Council, Class of 1980, Drama Club, Yearbook, Friends, Talking, Guys, and Having a Good Time.
MEMORIES: There's so much to remember, so many great times we've all shared, to try and list them would be impossible, it's so hard to name all of those for which I've cared. My family gave me the guidelines, helped me out and raised me straight, we may be from a broken home, but I love you all, with all my heart, to me you're all so great. My friends what can I say, without you I'd be nowhere, together we've grown strong, can face life, the great times and even those we think that we cannot possibly bear. The guys that I've gone out with, so special you'll always be, each in your own way has taught me something about love, that will forever be a part of me. I can't leave out the teachers, without them we'd have no school, they taught me much more than their subjects, and for me didn't always stick to all the rules. What I remember most are the people listed here, what we did wasn't as important as the fact that you were there. For all that I have mentioned, for anyone caring enough to read this, I love you, and thank you. These are some times that I will look back on, smile, and always miss.

All alone
In your room;
And the phone
Never rings,
Your mind's searched
For a tune,
But you're
Too weak to sing,
Turn your eyes
Toward the sky
To the
Heavens so blue.
If you search
Very hard,
Then your song
Will come through.

Class of "82"

Treasurer — Debbie Cariddi
Vice-President — Dean DiVincent
President — Rene Burke
Secretary — Mary Boulos

The class of '82 held many activities for the '79-'80 school year. Our first fund raiser, a magazine drive, proved to be very profitable. For the second year in a row, we held a basketball game with the S.B.H.S. faculty vs. players from major league football teams. In May we fulfilled the tradition of selling corsages for Mothers' Day. The highlight of our school year was ordering our class rings. We hope next year will be just as successful.

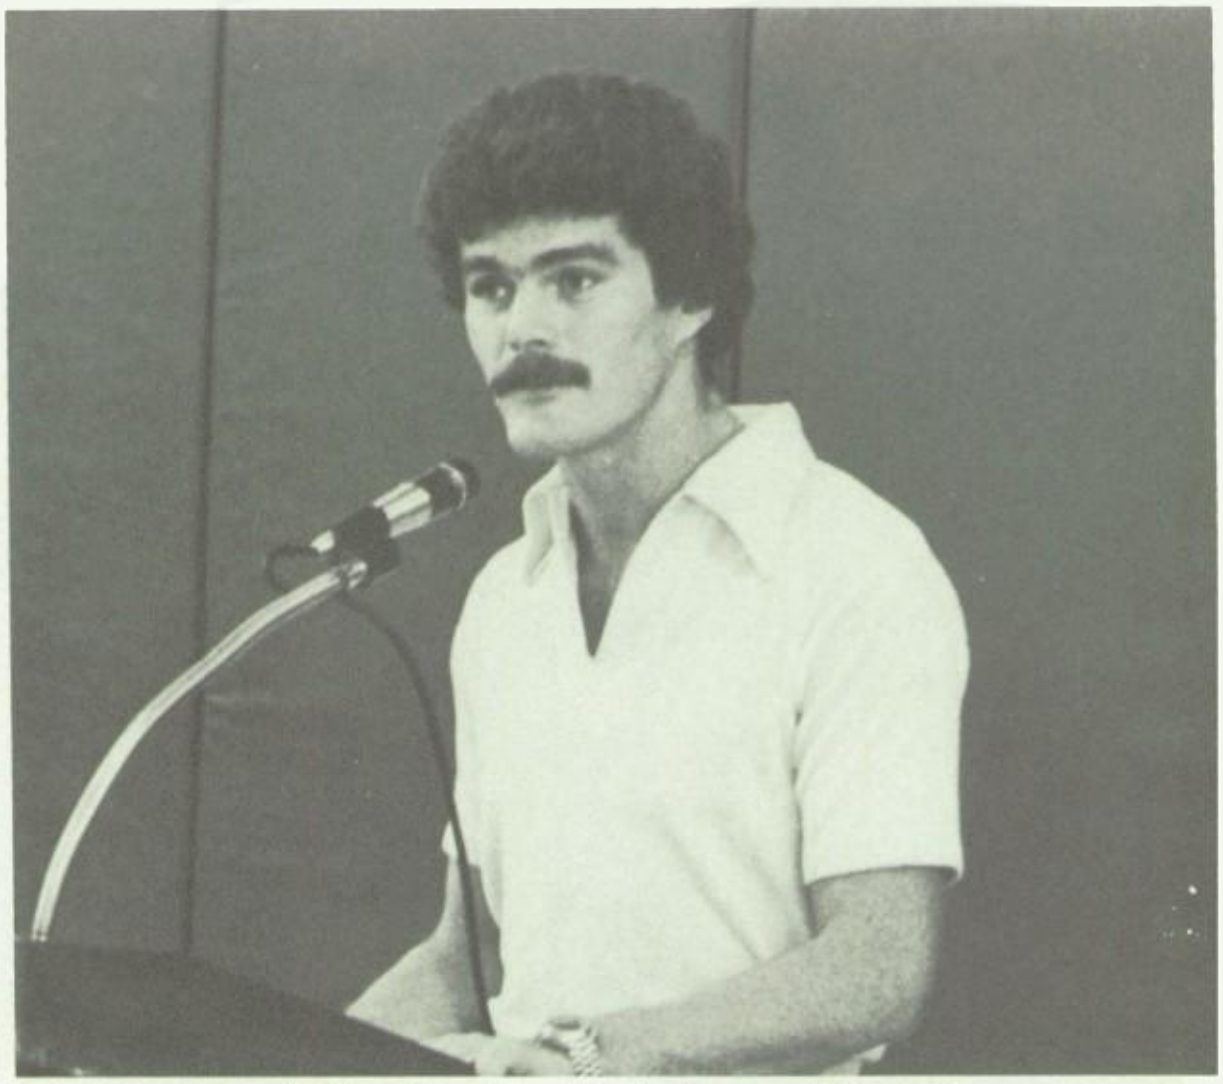
His Work's Our Fun

There is one man in S.B.H.S. who comes in contact with the faculty and students each day and is actively involved with every club, class, sport, and function in the school, as well as teaching phys. ed. classes and supervising A.V.A. He's Fred Kritzer, our Director of Student Activities. Mr. Kritzer gives the go ahead for every extracurricular activity and has provided us with Impact programs during school hours such as a hypnotist, a gymnastic act, and frisbee champs. He also arranged a series of ski trips this winter which were a tremendous success. Mr. Kritzer's enthusiasm and dedication benefit the entire school and we thank him for it.



Mr. Kritzer shares his spirit and enthusiasm at a Pep Rally.

One of the many large groups that enjoyed the winter ski trips.

While the rest of us are just beginning our day, A.V.A. and the Morning News are already well into theirs. They start out early to help us make the best of our day. The Morning News provides us with the day's news, sports, and weather and information about school activities. A.V.A. distributes all the audio-visual equipment necessary for each class. Both groups dedicate much time to the school.

Falcons Show

Seniors winning the fourth "pep" ball.

Excitement and spirit ran high at the Falcons' first Pep Rally. All the fall sports were presented to the student body. The band, color guard, and cheerleaders were on hand to encourage support and unity for the teams. For the fourth year in a row, the Class of 1980 won the infamous "pep" ball during the Falcon Cheer. This class is considering having it bronzed.

Band Festivals . . .

The S.B.H.S. Band has maintained its high standards and again proven itself by bringing pride and spirit to the school. Under the direction of Mr. Sal DiNello and Assistant Director Ms. Elaine Grossman, the band performed at each football game, the annual Herald-News Band Festival, a competition in and on November 11, during halftime at Giants Stadium! In December the band came inside to start practicing for the winter concert in March and the spring concert in May. The band also has plans to march in the town's Little League Memorial Day Parades and finally to play for its senior members at graduation. This year's senior officers are: Pres. — Denise Punzo, V.-Pres. — Janine Burnham, Treas. — Janis Boettinger and Debbie Notte, Sec. — MaryBeth Ramsay, Librarians — Judy Mac Rae, Caroline Symannek, and Kathy Tinger, Administrative Assistants — Bill Hollingsworth, LisaAnn Burke, and Gail Wohlrab.

The vocal section of the music department is run by Mr. Charles Broadhurst. It consists of three groups: the Girls' Glee Club and the Boys' Glee Club (which together form the full choir) and the Choraleers, a select group of singers. Each year the choir performs during the Christmas assembly and at its winter and spring concerts. They also have plans to attend the Bergen County Choral Day and to see a Broadway musical in the spring. The 1979-1980 officers are: President — Tony Petrucello, Vice Pres. — John Davis, Treasurer — Kerry Rabbett, Secretary — Sue Latrenta.

Quite a Bunch of "Characters"

Membership in the National Honor Society is based on an individual's qualities of scholarship, leadership, service, and character. Each new member is tapped and pinned with a yellow rose, a symbol of excellence in these areas. Activities of this year's N.H.S. included the tapping of six new members in December and holding pretzel sales every Friday from Jan. 4 to March 7. The money raised will be used to purchase bonds which will be given to the group's outstanding members. The club is headed by advisors Ms. TenHoeve and Ms. Yarosz and its officers: President — Caroline Symannek, V.-President — Barbara Rovensky, Treasurer — Frank Freguletti, Secretary — Kathy Falk.

Voices of the Students

The Student Council and the school newspaper, the Falcon Flyer, are two organizations which dedicate their time to keeping the students informed. The Falcon Flyer staff, headed by Ms. Prelich — Advisor and Tina Seventko and Diane Dispoto — Editors-in-Chief, started the year by attending a seminar at Caldwell College. Their enthusiasm was reflected in each issue especially the unusual April Fool's Day issue. The staff also enjoyed a Pizza Party during the summer and Christmas gifts in December in appreciation for all their hard work.

The Student Council wasted no time starting out the year a day early with Freshman Orientation. They continued their work by organizing a grievance committee and throwing the traditional kick-off concert. The council also held many fund raisers such as a stationery sale, the showing of the movie "Superman," and a hoagie sale with the band.

Standing — Jim Cox, Mike D'Agostino, Ray Simonse, Sue Gingras. *Sitting* — Diana Dreispan, Ms. Prelich, Advisor, Jerome Tummillo.

An Alternate Point of View

For the past six years, the Alternate School has provided students with a high school education in a rather unique way. The students are presented with the traditional curriculum but in a relaxed, more personal manner than in the usual classroom. Teachers involved in the program are: Pat Heaney, Donna Kohl, Gladys Schachere, Ken Bishé, Bill Brown, Greg Cahayla, and Tony Vallese.

Front — S. D'Amico, C. Mania. *Back* — K. Tinger, D. Insalaco, R. Ralicki, D. Mady, G. Young, R Marsico.

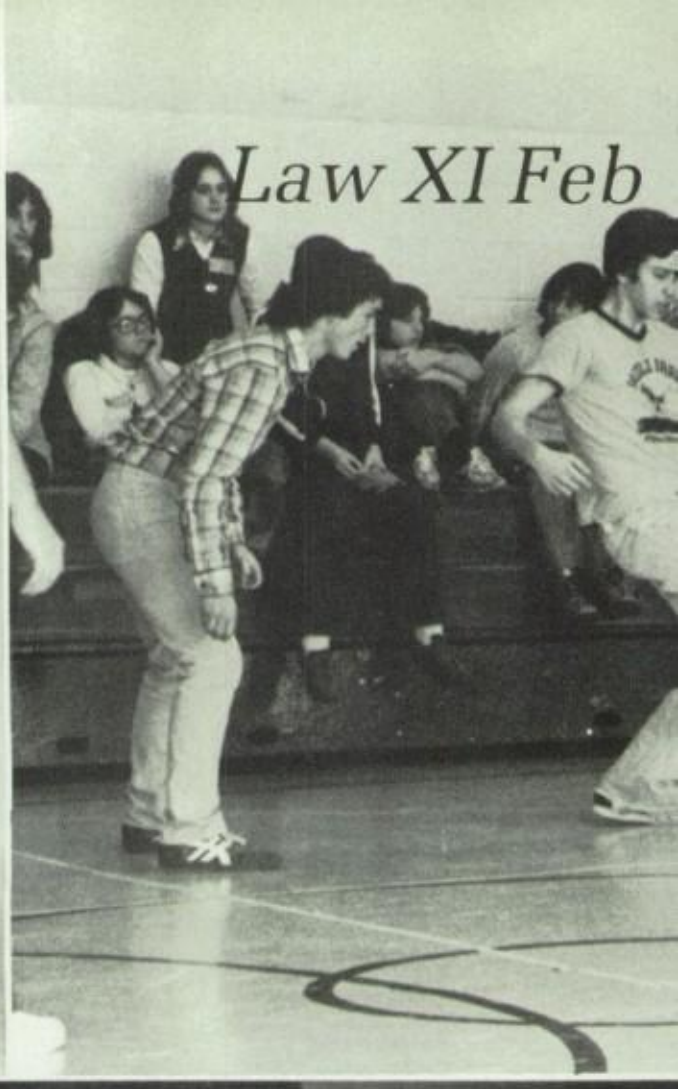
On Stage — Mary Drummond, Sharon Eldridge, Lina Barbieri, JulieAnn Shiller, Erich Padilla, Ron Pires, Frank Sigona. Standing — Lisa Armstrong, Laureen Sentipal, Mary Gasior, Don Fillicetti, Kathy Lockwood, Ernie Castanedas, Diane Dispoto.

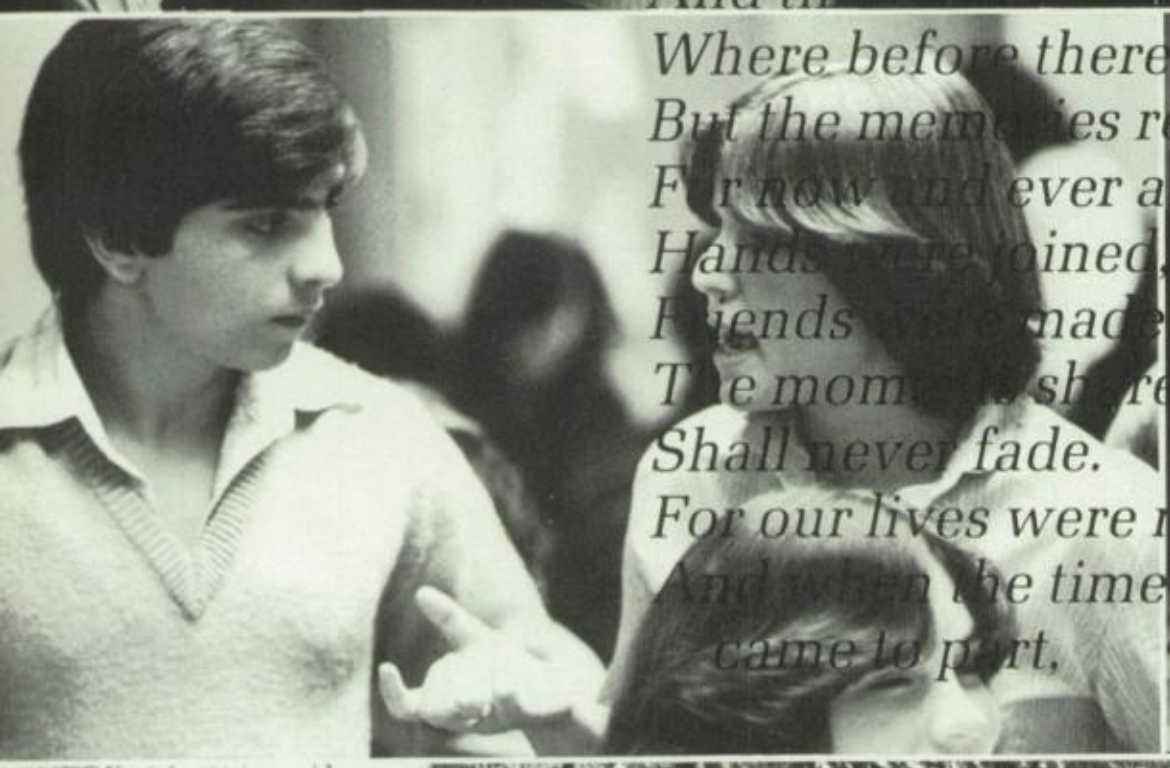
And treating S.B.H.S. to a bit of culture are the Drama and Latin Clubs. The Latin club is run by its advisor Ms. Lomangino and its officers — Louise Edwards — Pres., Dina Carabin — V.-Pres., Luanne Annunziato — Treas., Gina Niland — Sec. This club is one of the largest and most active in the school. It began the year with a welcoming party for freshmen and later a Halloween party. They held a raffle at Christmas to raise money. Later in the year they will hold a sports night and end the year with a going away barbeque for seniors.

The Drama Club, led by advisors Ms. Fuchs and Ms. Prelich and officers Kathy Lockwood — Pres., Don Fillicetti — V.-Pres., Janine Burnham — Treas., and Wendy Rivchin — Sec., is also one of the school's most enthusiastic groups. They had terrific success with their first fund raiser of selling posters. Their first field trip was to see the Broadway play "Evita". The club also has plans to present their own production of scenes from "Streetcar Named Desire" and "Death of a Salesman".

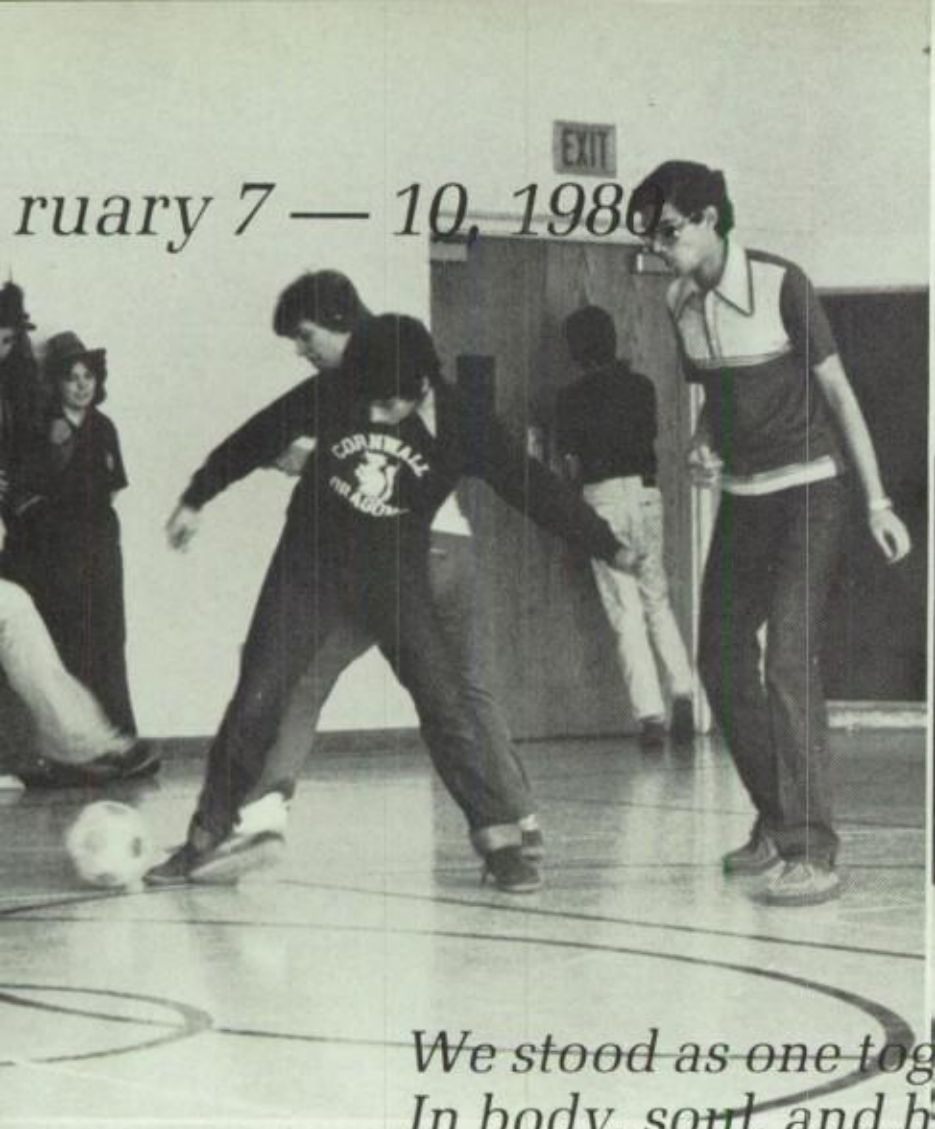
Front — Ms. Lomingino — Advisor, Frank Caiazzo, Dina Carabin, Gina Niland, Laurie Majkowitz, CarolAnn Ioele, Louise Edwards. Middle — Jerome Tummillo, Rich Kobylt, Linda Pirro, Mike D'Agostino, John Davis. Back — Lisa Nosch, Donna Huss, Sue Hollingsworth.



And the
Where before there was laughter,
But the memories remain
For now and ever after.
Hands were joined,
Friends were made
The moments shared,
Shall never fade.
For our lives were
And when the time
came to part,



ruary 7 — 10, 1980



We stood as one together
In body, soul, and heart.
In a world that's full of hatred
Somehow love still survives.
We found it in each other
And now it has changed our liv
And our friends across the water,
Shall never be far away.
For they'll be with us in spirit,
Each and every day.

Peace is a word they abuse and they curse,
Peace must be reached 'cause the
world can't be worse.
Peace is a farce all the good people say,
But peace is a word that will
happen some day!

I'm gonna keep on walking
Though the road is long and rough
I must keep on traveling
Cause I haven't had enough
I'm gonna pick up my life and
live for every day,
Cause it's not as hard as it seems
Pick up my life, turn and walk away
In the direction of my dreams
And I won't like the walking,
I'll get caught in the rain,
But all the sleeping on the highway,
Will be worth all the pain.

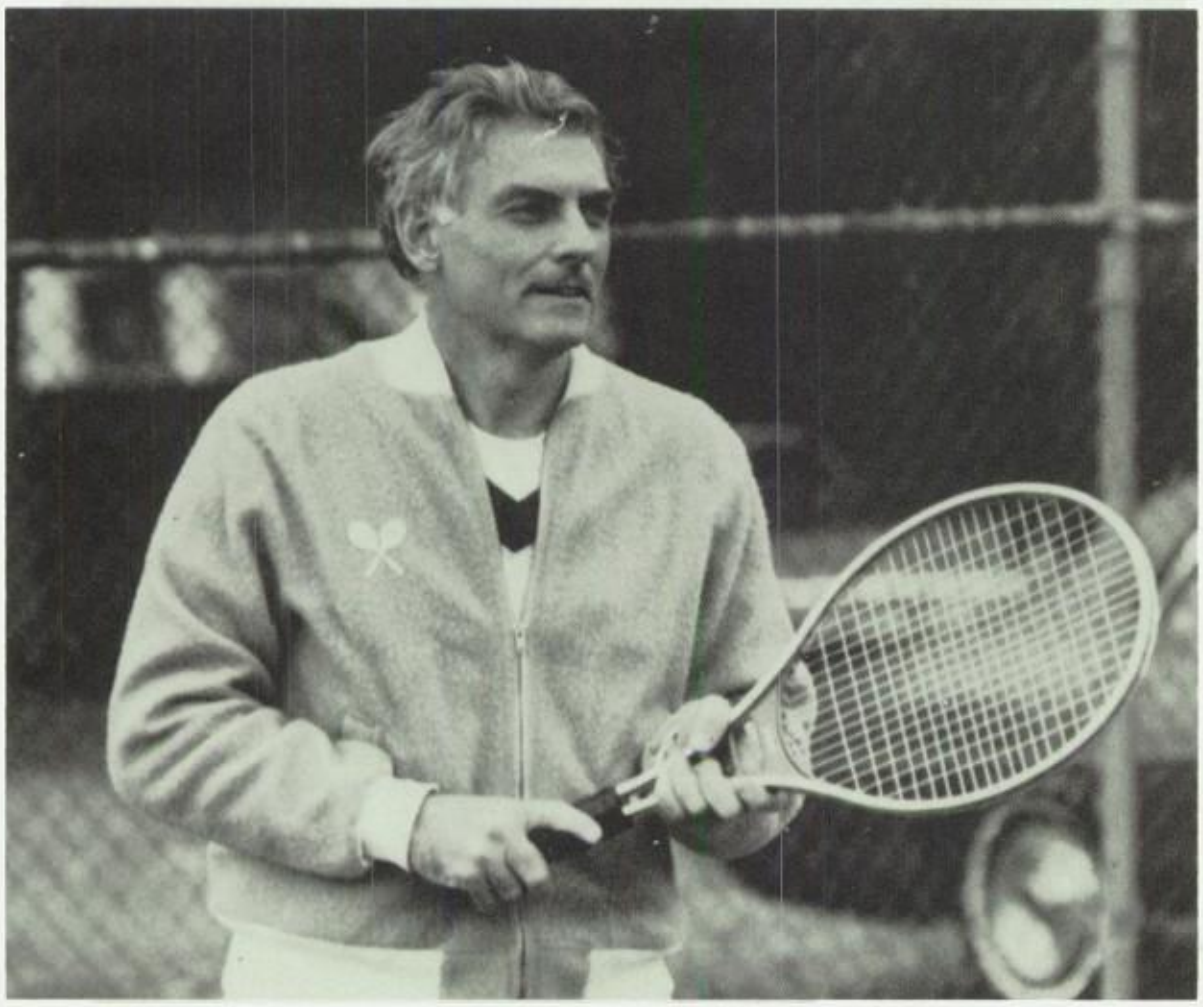
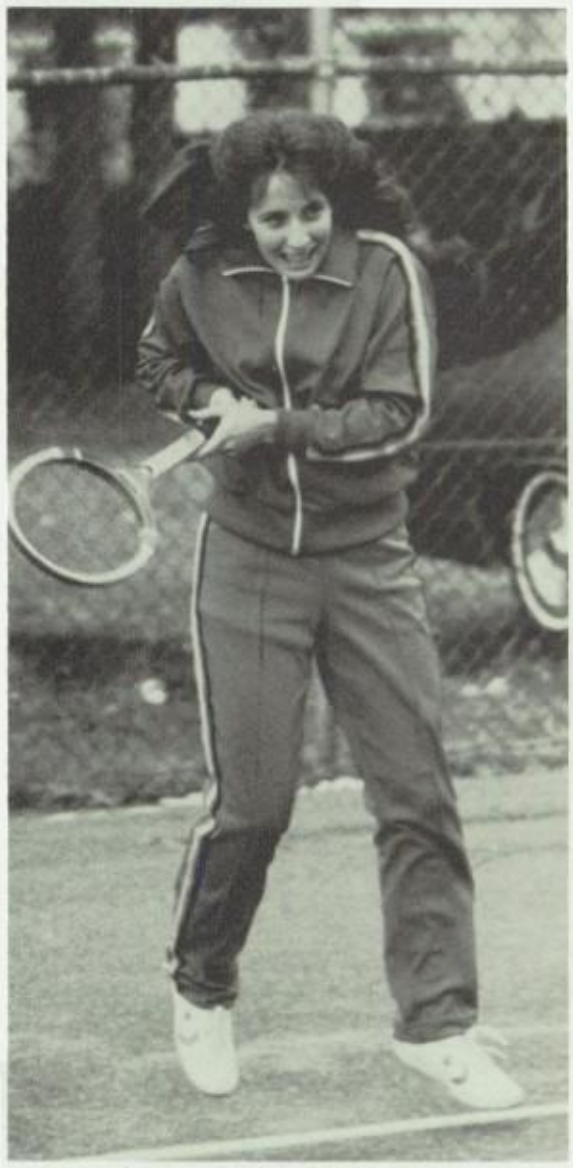
Sectional Champs!



Coach Hannigan

The Saddle Brook girls' tennis team produced one of its finest seasons. Under the coaching of Eugene Hannigan, the girls captured the state sectional championship. Singles players Kathy Lou Leone, Linda McAleese, and Geri Masterson were selected to first, second, and honorable mention all league. Lynn Buggle and Lori Campos were first team all league doubles and Toby Green and Joan Onorevole were H.M. Other varsity letter winners were Lisa Duriske and Chris Marino.

Kathy Lou Leone was one of the county's best.



Co-captain Linda McAleese.

Co-captain Geri Masterson was dependable all season.

Toby Green was H.M. all-league.

Junior Lynn Buggle was just one of the team's outstanding players.

Senior Joan Onorevole.

Hope for the Future!

The Saddle Brook boys' basketball team faced one of its toughest seasons this year. Even with only one senior starting regularly, Coach William Duvier was able to install a team pride which made each player perform to the best of his ability and make each game very exciting. The only seniors on the team were Phil Zito, Tom Troyano, and Frank Freguletti. Much promise for the future was shown by the presence of such players as Joe Baiunco, Frank Testa, Steve Horohonich, Danny LaGuardia, and Doug Verost. These players will return next year to give the Falcons a fine squad.

Girls Make It to States!

The Girls' basketball team experienced a fine season. Under coaches Ken Bishé and Greg Cahayla, the girls completed the season with a 13-10 record which included winning the Christmas tournament and qualifying for the state tournament. The girls were led by Kathy Lou Leone, who broke 1000 career points during the season, Cathy Grau, Debbie Insalaco, and Lisa Noonburg as well as many juniors, sophomores, and freshmen, who show much talent and promise for the future. Caroline Symanneck, and Janis Boettinger were team managers who put much time and energy into helping out the team and the coaches.

Spare No Pins!

Head Coach Joe Alia and the Saddle Brook bowling team, which placed fourth in the League Championship.

Junior Bob Sudo has been the Bowling team's most consistent bowler over the last two years.

This year's bowling squad was like many other teams were this year, that is, comprised of mostly juniors, and underclassmen, having very few seniors. Coach Joe Alia did have his reliable junior Bob Sudo back from last year's varsity team. Bob's average last year was 172, but he was able to raise it to 184 this year and should have a sensational season in his senior year. Other varsity members included Ken Schlomann, 165 average, Sal Valardi, 160, Tom Schlomann, 158, as well as Bill Miller, John Zagleski, Mike Loeach, and senior Mike Hevner.

Be true to your school!

Ms. Bigos goes over last minute instructions before a pep rally.

During the year there is one sport which goes virtually unnoticed — cheerleading. Both the varsity and JV work very hard during the year trying to instill spirit into the school. During the year the girls had very special tasks to do. Not only did they cheer at football and basketball games, they also hosted a cheerleading clinic, had many fund raisers, and participated in competitions.

Captain, Irene Johnson leads the cheer after a Saddle Brook touch-down.

The War of the Wrestlers

This year's wrestling squad had a very good season under first year coach Jim Sutera, and assistant coach Eugene Teti. The team finished with a dual meet record of 10-4 and finished third in the league with a record of 7-2. The team won 9 of the last ten matches, earning them a playoff berth in the group 2 championship in which the Falcons took a surprising third place. This prepared the team for the districts. We finished a disappointing fourth but many of our wrestlers had excellent individual performances. Captain John Phelan — 141 took first, Chris Marren — 158 and Bill Hyman — Hvy finished second, Senior Ken Thimmel, and Dave Cobianchi — 135 took third, Freshman Tony D'Amico finished in fourth place. Other wrestlers having fine seasons were Steve Muller — 101, Joey Caufeild — 115, James Phelan — 122, Mike Tritto — 129, Tom Zangaro — 148, Frank LaGuardia — 188. John Phelan, Chris Marren, and Bill Hyman, advanced to the regionals. Phelan took second place, Marren finished third. Hyman lost to the top seed in the first round. Overall, the team had a fine season and is looking for better and brighter things in the future. The team would like to give special thanks to scorers Corinne Niland, Isabel LoSchaivo, and Nancy Fronzaglia.

Girls' Track Kicks

The girls' indoor track team enjoyed a very successful season under the guidance of head coach Ron Gundry and assistant Jim Grant. The girls won the state group championship in what was one of the best team efforts in our school's history. We were able to score in practically every event. Tremendous individual efforts were put out by Laura Francica, third in the hurdles, Laura Frisch, third in the 400 meters, Jean Bargiel who was second in the 800 meters, with senior Judy MacRae fifth in the same race. Laura Falci doubled successfully in the 3000 and the 1500 finishing second in both of these races. Corrine Niland was fifth in the 3000, Ellen Larena second in the high jump, and the mile relay of Francica, Frisch, Larena, and Bargiel finished third. Our team had tremendous depth this year which allowed two of our relay teams to establish county records. The sprint medley of Frisch, Larena, Bargiel, and Falci clocked 4:23.1 at the Paramus Catholic Relays. The two mile relay of MacRae, Frisch, Bargiel, and Falci set their record of 10:00.6 at the Eastern State Championships. Throughout the season, the girls put in a tremendous amount of work. Other members of the team who helped make it the state's best included Nancy Larena, Charlotte LoSchavio, Barbara Danko, Cathy Reid, Deanna DeRish, Leslie Goodman, Delorus Grau, Julie Ann Shiller and Denise Falci. At the end of the indoor season All-County teams were selected. Our school has a right to be very proud of our girls, since there were more girls selected to this year's all-county team than any other team of this type in our school's history. Our two-mile relay was selected second team, and our mile relay honorable mention. Individual honors were Ellen Larena — first team high jump, Laura Falci — second team 1500 and 3000 meters. Laura Frisch — honorable mention 600, Jean Bargiel — honorable mention 600, Laura Francica — honorable mention hurdles, and Judy MacRae — honorable mention in the 1000. The captains this year were Frisch and MacRae.

Laura Frisch was our top sprinter at 400 and 600 meters.

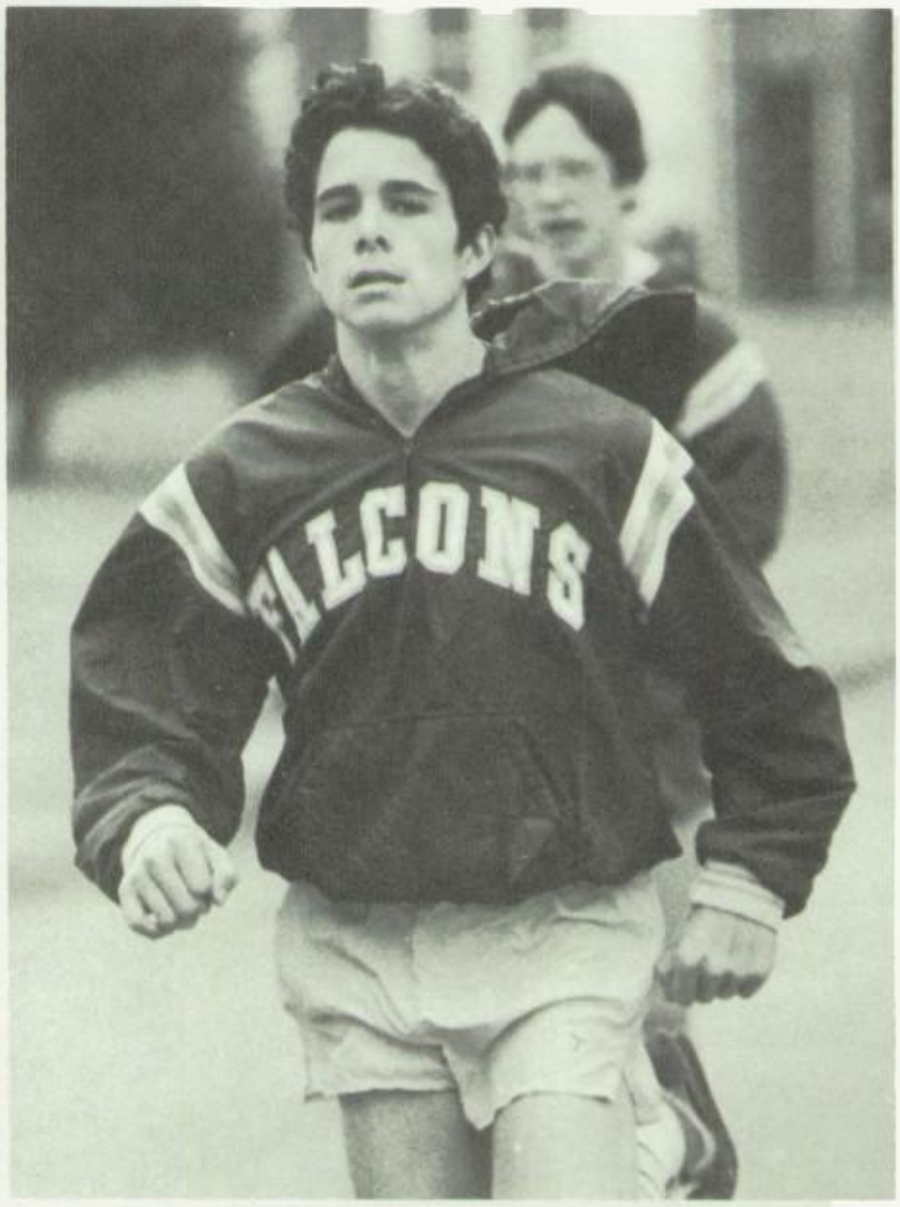
Senior Tim Seitz is one of the best pole vaulters in the league.

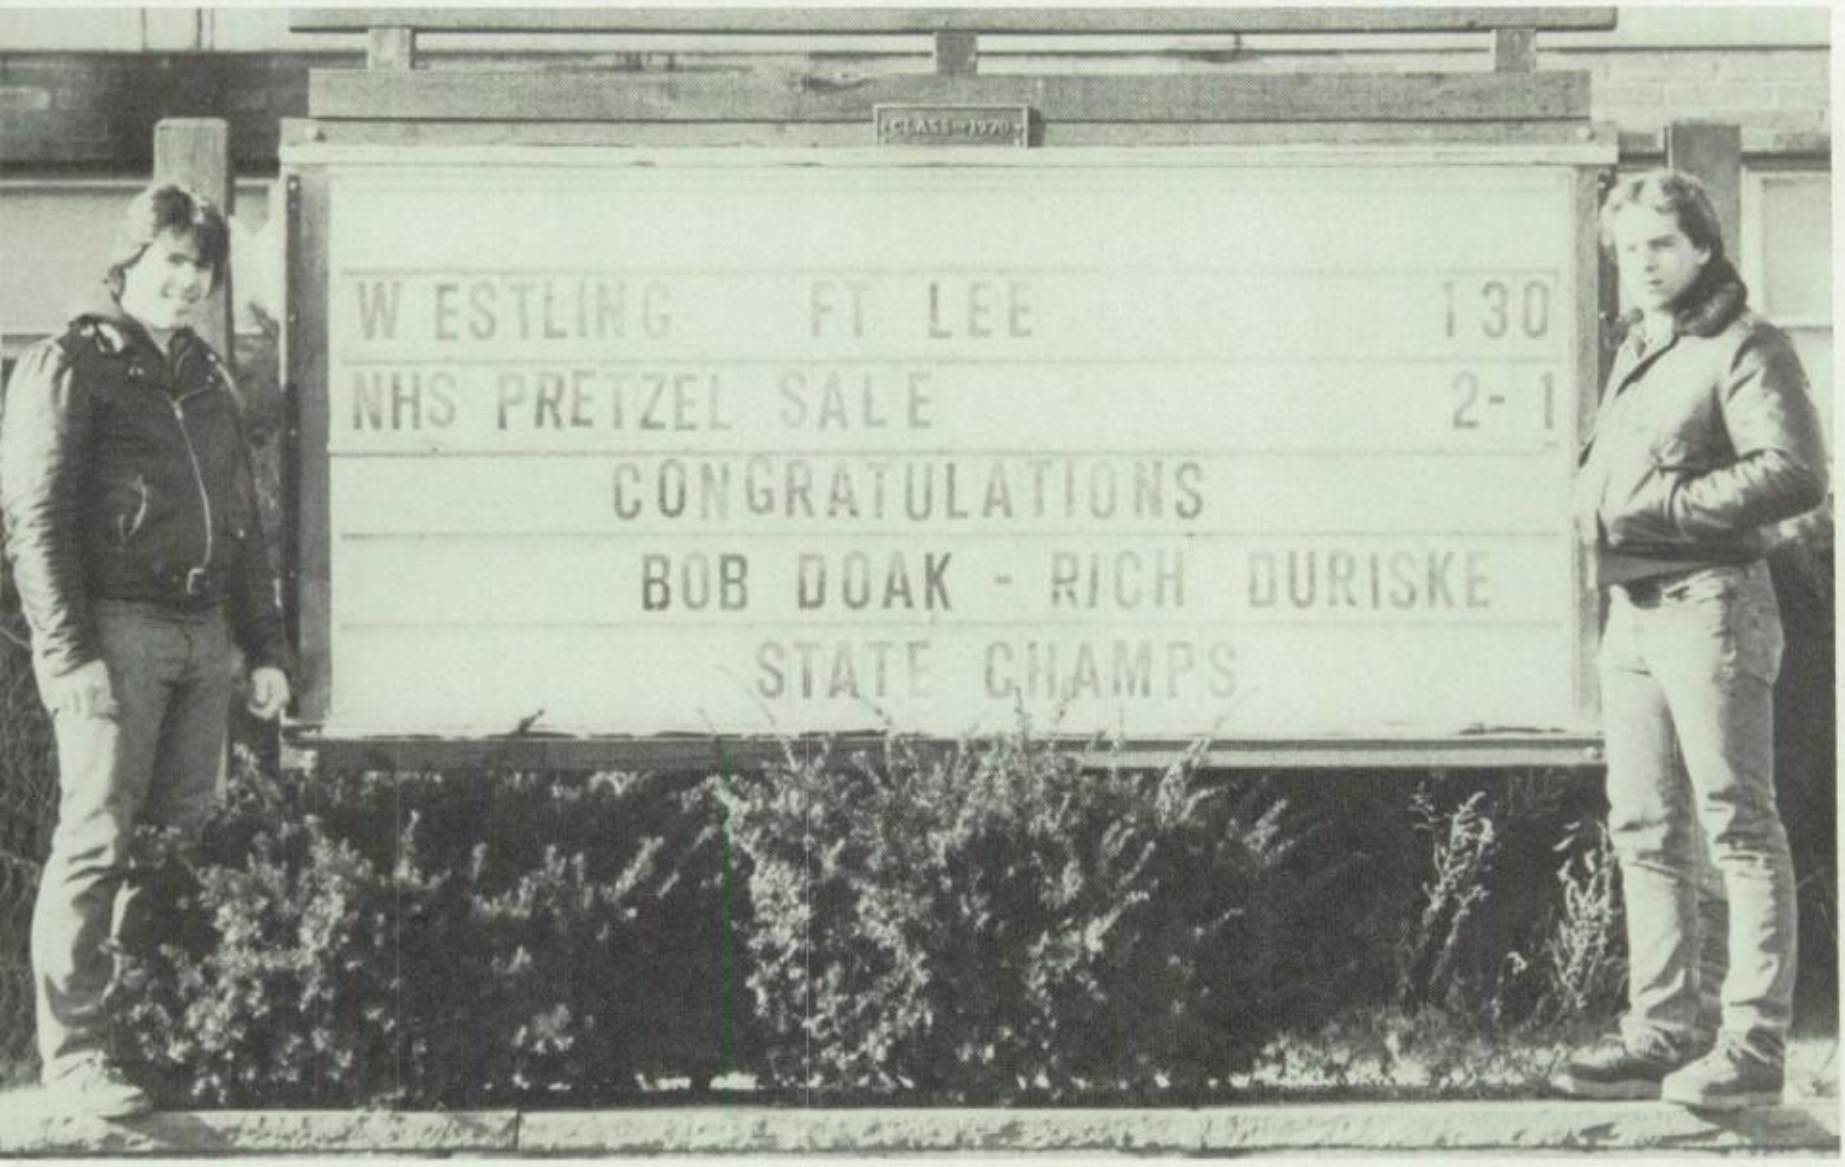


Sophomore Mark Rodriguez has a very promising future.

Let's Make Tracks!

Coach Schumann has much to look forward to in the future.

This year's winter track season was a very successful one. The team finished second in the Morris Catholic relays, second in the Queen of Peace relays, and third in the state relays. Rich Duriske and Bob Doak were state relay champs in the shot and were within 6″ of the state Group 2 record. Duriske was also third in the state, and fifth in the county. Henry Namendorf was second in the sophomore county shotput. The shuttle hurdle relay team of Tony Petroccello, Steve Smith, Dan Cullen, and Perry Shiller, was one of the best in the school's history, as they finished second in the state relays. Perry Shiller was the top hurdler finishing third at Morris Catholic, and sixth in the county. The high jump relay of Tony Petruccello and Dan Cullen finished second in the county and fourth in the state. Both Tony and Dan finished with jumps over 6′. Sophomore George Gusciora was the top distance runner and senior Frank Barrale was the top sprinter. Mark Rodriguez won the sophomore county pole-vault championship. Five members of our team were selected to Honorable Mention All-County, they were: Rich Duriske and Bob Doak for Shot-put, Perry Shiller for high hurdles, and Dan Cullen and Tony Petruccello for the high jump. Our freshman team was the best ever led by distance man Joe Barno and sprinter Bob Henry.



The board says it all!

Sophomore George Gusciora was the top distance runner during the indoor season.

Winter practice was often run on the streets of Saddle Brook.

Senior Perry Shiller and Coach Gene D'Allasandro.

Senior Tony Petrocello is well over the high jump bar.

Looking Up!

The Saddle Brook Golf Team: Left to right — S. Lenhart, Joe Hoydas, T. Schlomann, Bill Gelenius, J. Giglinto, B. Killenger, and coach Joe Alia.

Junior Scott Lenhart was selected team captain.

Sophomore James Giglinto returns from last year's varsity.

The Saddle Brook Golf team under the reliable coaching of Joe Alia, found itself with all but one of last year's top players returning. Scott J. Lenhart came back for his third season. Also returning were Bill Gelenius, Brent Killinger, James Giglinto and Joe Hoydas. The talent of freshman Tom Schlomann was also obtained. The future of the Saddle Brook golf team looks promising since it was a young team this year.

Looking Good!

Many of our school's top athletes turned out to play baseball under Jeff Weiss in his first season of varsity coaching. Returning from last year's varsity team were seniors Al Deppe, Phil Zito, Ray Larkin, Tom Troyano, Tony D'Allassandro, Frank Freguletti, Chris Wahler, and Joe Vasile, as well as juniors Bob Sudo, Frank Mayo, Jim Wisse, Frank Testa, Bill Ferri, and Carl Heggamen. This team has a good combination of both offense and defense to make it strong.

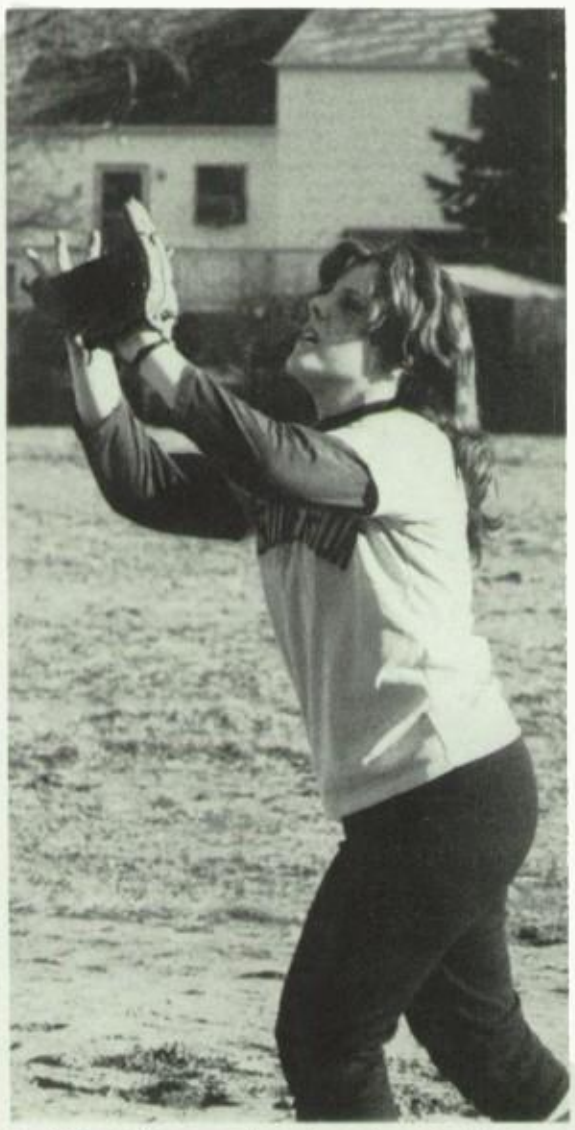
Softball Defense Is Strong!

The Saddle Brook girls' softball team, under coach Mario Alia and assistant Pat Barile, has many of its top players returning from last year's squad, such as Kathy Lou Leone, who was first team all-league last year, Nancy LaGuardia who was also first team all-league and Putsy Harrison who was second team all-league last year. Other players returning from last year's squad include senior, Lisa Noonburg, and Ellen O'Donnell. The girls have many young players and should prove to be very successful in the upcoming years.

Head Coach Mario Alia observes his team during practice in order to select starters.



Debbie Caldarone also played varsity last season.

Junior Nancy LaGuardia had a tremendous sophomore year and should prove even better this year.

Linda McAleese had to make a quick throw to catch the runner at first.
